

Customer Choice Lottery Registration Instructions

To be eligible for the Customer Choice Lottery, or to release your name, address and/or rate classification to potential suppliers, you must fill out the registration form below, check the boxes that apply to you, and sign your name. **If no registration form is received, you will not be included in the lottery process** and, therefore, will not be eligible for customer choice until December 31, 2000. If selected in one of the lotteries, you are not obligated to select a new supplier, but reserve the right to do so.

Customers will be notified of their eligibility status by the end of July, 1999.

You may mail your information to us in the enclosed envelope or fax it to 1-773-539-1634. If you wish to register by telephone or have questions about the Customer Choice Lottery, please call toll free at 1-877-PWR-PTH1 (1-877-797-7841) or visit our website at www.comedpowerpath.com.

Enroll Now! Registrations accepted until June 15, 1999.

You may use the reverse side or attach a separate page for your additional accounts.

If mailing information is incorrect, please correct it in the space provided.

Name: | | | | | | | | | | | | | | | | | | | | | |

Name on account: _____

Address:

City, State, Zip: | | | | | | | | | | | | | | | |

[illegible]

Please fill in your 10 or 12 digit ComEd Account Number

Phone number: | | | | | | | | | |

- ☐ Check this box if you wish your name and address to be released to potential suppliers.
- ☐ Check this box if you wish your rate class to be released to potential suppliers.

PLEASE CHECK ONE:

- ☐ **General**
- ☐ **Common Ownership**
- ☐ **Commercial 9.5 Megawatt Common Ownership**

(If you have more than two sites and wish to enter some into the Common Ownership Lottery and others into the General Lottery, please return a separate registration form for each lottery, listing the sites to be entered in each lottery.)

COMMERCIAL 9.5 MEGAWATT COMMON OWNERSHIP LOTTERY

If you are applying for the Commercial 9.5 Megawatt Common Ownership Lottery, please identify 10 or more sites individually that you want included in the lottery. If you are not selected in the Commercial 9.5 Megawatt Common Ownership Lottery, you may either apply for the Common Ownership Lottery or the General Lottery.

Check the box below that indicates your preference:

- ☐ Common Ownership Lottery if not selected in the Commercial 9.5 Megawatt Common Ownership Lottery.
- ☐ General Lottery if not selected in the Commercial 9.5 Megawatt Common Ownership Lottery.

COMMON OWNERSHIP LOTTERY

If you are applying for the Common Ownership Lottery, please identify two or more sites individually that you want entered in the lottery. You may use the reverse side to identify sites eligible for the Common Ownership Lottery.

Signature: _____

Your signature warrants that the following sites are commonly owned (required for either the Commercial 9.5 Megawatt Common Ownership or the Common Ownership Lottery).

*Common Ownership is defined as any customer who buys power from ComEd at two or more sites **within ComEd's service territory.***

NOTE: Customers with a single site whose load is greater than 4 megawatts need not respond, unless you would like your name, address and/or rate classification released to potential suppliers. To qualify for this category, your average monthly maximum demand for the six highest months between July 1, 1998 and June 30, 1999 must equal or exceed 4 megawatts at a single site. ComEd will determine your status and notify you. However, you may include a 4 megawatt commercial site in the **Commercial 9.5 Megawatt Common Ownership Lottery** in order to qualify. In that case, your response will be necessary.

In December of 1997, the Illinois General Assembly enacted "The Electric Service Customer Choice and Rate Relief Law of 1997," paving the way for phased-in customer choice. Soon, the first group of non-residential customers will have the ability to choose among qualified suppliers of electricity, including ComEd. If you choose an electricity supplier other than ComEd, ComEd will still be the regulated provider of delivery services (the transmission and distribution of electricity). The arrival of competition under the new legislation is expected to provide customers with more innovation and better pricing.

The Law mandates that a series of random and nondiscriminatory lotteries be conducted to select non-residential customers who will be eligible to choose their electric suppliers. The lotteries will determine which non-residential customers less than 4 megawatts receive the option of choice on October 1, 1999. If you enroll and are selected, you do not have to select a new supplier, but **you will reserve the right to do so**. However, those non-residential customers who do not enroll in the lottery will be required to wait until December 31, 2000 to choose an electricity supplier. If you are a single site non-residential customer with an electrical demand of 4 megawatts or greater, you will automatically receive the option of choice on October 1, 1999.

This is your opportunity to participate in the first phase of customer choice of electricity suppliers starting on October 1, 1999. **To be eligible, you must register for the Customer Choice Lottery** (unless you are a 4 megawatt customer). All customers will be notified of their eligibility status by the end of July, 1999.

Please review the enclosed brochure and registration form. Then determine which lotteries are appropriate for you. If you have any questions about the Customer Choice Lottery, or to register, please call us toll free at 1-877-PWR-PTH1 (1-877-797-7841) or visit the PowerPath website at www.comedpowerpath.com. A list of electric suppliers will be available on the PowerPath website. Customers may write to the ICC at 527 East Capitol Avenue, Springfield, IL 62794-9280, or visit the ICC website at www.icc.state.il.us if they have questions about the eligibility process or to file a complaint. You may also download a copy of the Law from the Illinois Commerce Commission website.

Sincerely,

Arlene A. Jarasch

Arlene Juracek
PowerPath Vice President
